Divine Life School, Ahmedabad 2019 – 2020

Secondary Education (10th Grade) – Percentage: 73.83%

Work Experience

BrainSquare Technologies Nov 2024 – Jun 2024

MERN Stack Developer

Office

- Worked on the **Online Learning Platform for Skill Development (OLPSD)** project, focusing on delivering scalable, full-stack solutions.
- Collaborated with senior developers to optimize solutions, improve code efficiency, and ensure timely project delivery.
- **MERN** stack used: **React.js** for UI, **Node.js/Express.js** for backend, **MongoDB** for storage.
- Gained practical experience in real-world software development and scalability practices through close mentorship and team collaboration.

Projects

CarVista – India's Most Trusted Place to Buy and Sell Cars (04/2025 – Present) **Frontend** — **Backend**

- Developed a feature-rich web application inspired by the Cars24 platform using the **MERN stack** (MongoDB, Express, React, Node.js).
- Implemented modules for car listing with price estimation, test drive booking, and inspection scheduling.
- Designed a secure, role-based **Admin Panel** to manage users, cars, test drives, inspections, and sold vehicles.
- Physical deals are finalized offline; admins receive a **7% commission** on each sold car.

Amazon Front Page UI Clone (12/2024)

GitHub

- Created a static front-end replica of Amazon's homepage using only **HTML and CSS**.
- Focused on pixel-perfect layout, responsive design, and semantic HTML for accessibility.
- Practiced CSS Flexbox and Grid for complex layout structuring.

Personal Portfolio Website (07/2024 – Present)

GitHub

- Designed and developed a responsive and animated personal portfolio using **React, HTML, and CSS**.
- Showcases my projects, education, skills and certificates.
- Integrated scroll animations using AOS and routing with React Router.

Technical Skills

Languages: Core Python, JavaScript

Backend: Node.js, Express.js

Frontend: React, MUI, HTML, CSS, Bootstrap

Clouds & Databases: MongoDB

Developer Tools: Postman, VS Code, GitHub

Non-Technical Skills

Problem Solving

Team Work

Communication

Research

Adaptability & Willingness to Learn

Attention to Detail

Achievements

- Successfully completed **"TCS iON Career Edge – Young Professional"** – a career readiness program by Tata Consultancy Services focusing on communication, business etiquette, and soft skills.
Certificate of Completion issued on Sept. 06th, 2023.
- Completed the **"Cybersecurity Analyst Job Simulation"** offered by Forage in collaboration with industry experts. Gained hands-on experience by performing real-world tasks such as threat analysis, vulnerability assessment, and incident response.
Certificate of Completion issued on June 28th, 2025.
